Personal Profile Statement

I am a motivated, adaptable and responsible graduate seeking a position in an IT

Position which will utilize the professional and technical skills developed through past work experiences and also studies and practices in this field. I have a methodological, customer focused approach to work and a strong drive to see things through to completion.

Achievements

- Carried out some personal initiatives and projects which are on my GITHUB account <https://morgamaixh.github.io/musee.github.io/>
- Made an organization website for one of my clients.
